

# Animal Shows

Words and music by Peter Brunette

1.

C Dm G7  
On the TV screen, Dr. David Su-zu-ki  
C F C  
Is showin' me stuff that's a little bit spooky.  
Dm G7  
The honeymoon story of the black widow  
C G7 C  
Will shiver your short hairs, I'm tellin' you, kiddo.  
Dm  
It seems that her hubby wasn't good in bed.  
Am  
Before they were finished, she bit off his head.  
Dm  
Now, there was no doubt that he wanted inside her,  
Dm7 G7 C G7 C  
But that didn't mean she could eat the poor spider.

CHORUS:

F C F C  
Animal shows, animal shows!  
G7  
Nothin's too private for them to expose.  
C F Csus  
For family viewin', a critter that's woo - in'  
F C  
Should really put on a few clothes.  
F C F C  
Animal shows, animal shows!  
G7  
What makes me watch 'em, God only knows.  
C F F6  
But, Dr. Suzuki, they're drivin' me kooky,  
Dm G7 C G7 C  
Them X-rated animal shows.

2.

C Dm G7  
Before I know it, I'm channel jumpin',  
C F C  
And what do I find but two elephants humpin'.

Dm G7

It seems I'm stuck in the same old furrow:

C G7 C

If it ain't Suzuki, it's Attenborough.

Dm

The duck-billed platypus, the gypsy moth,

Am

The ring-necked pheasant and the three-toed sloth,

Dm

The katydid and the Komodo dragon

Dm7 Am Dm G7 C G7 C

Have one thing in common: I've seen 'em all shaggin'.

CHORUS:

F C F C  
Animal shows, animal shows!

G7

Nothin's too private for them to expose.

C F Csus

For family viewin', a critter that's woo - in'

F C

Should really put on a few clothes.

F C F C  
Animal shows, animal shows!

G7

What makes me watch 'em, God only knows.

C F F6

But, Dr. Suzuki, they're drivin' me kooky,

Dm G7 C G7 C

Them X-rated animal shows.

3.

C Dm G7

I've learnt every twist in the sexual habits

C F C

Of leatherback turtles and cottontail rabbits.

Dm G7

The rabbits go dancin' to score with the women;

C G7 C

The turtles just nail 'em before they start swimmin'.

Dm

The wildebeests do it in sizeable herds.

Am

Dung beetles do it on wildebeest turds.

**Dm**  
If I watch another animal do it,  
**Dm7**                    **G7**                    **C**            **G7**    **C**  
I'll have myself neutered. That's all there is to it.

## FINAL CHORUS AND ENDING:

**F C F C**  
Animal shows, animal shows!

G7

**C** **F** **Csus**  
For family viewin', a critter that's woo - in'

**F** **C**

**F C F C**  
Animal shows, animal shows!

What makes me watch 'em, God only knows. G7

**C** **F** **F6**  
But, Dr. Suzuki, they're drivin' me kooky,

**Dm G7 Dm G7**  
Them X-rated animal, X-rated animal,

C F G7 C F C  
X-rated animal shows.

Dm G7 C  
Them X-rated animal shows!
